

SHOOT FOR FUN

Proceeds keep individuals with disabilities healthy, engaged and thriving in Northern MN and Northern WI.

SHOOT FOR FUN

Thank You to our Presenting Sponsor

As an organization, we are truly thankful to those who continue to support our work.

In 2025, Kolar Chevrolet Buick GMC continued with their Presenting Sponsorship in support of the Shoot for Fun.

Thank you Kolar Chevrolet Buick GMC for your continued support that impacts our programs on a daily basis!

Mark your calendar for **Saturday, September 6, 2025**, and join us at Old Vermilion Hunting Preserve for our annual Shoot for Fun event — a day filled with sporting clays, great food, camaraderie, and purpose.

Each year, this event brings together our community to support the incredible programs of Northland Adaptive Recreation, which empower individuals with disabilities to stay active, connected, and thriving. From competitive sports to inclusive recreation, your support helps make it all possible.

This year, our goal is bold: raise more than \$150,000, nearly half of our annual programming budget. We met that milestone last year, and with your help, we're aiming to do it again!

To show the impact of your sponsorship, we've included two pages of program statistics that highlight exactly where your investment goes and the lives it transforms.

As costs for equipment and programming continue to rise, your support is more important than ever. Sponsorships help us expand our reach, enhance program quality, and ensure no participant is turned away due to financial need.

We invite you to consider becoming a sponsor and making a lasting difference in the lives of individuals and families in our region. Your partnership helps people with disabilities build confidence, engage with their community, and form lifelong friendships through physical activity and adaptive sports.

Thank you for your continued support and for believing in our mission.

With gratitude,

Traci Marciniak, President
Miller Dwan Foundation
